- Multiple teams for each age division to facilitate elite teams as well as developmental teams – so no experience required to tryout!!

What is the Clinic?

The Rapids have been instrumental in bringing excellence in volleyball to the Niagara Region for 16 years. We continue that tradition by offering 8 hours of technical instruction as part of the tryout process for the 13- 15u age divisions. All practice sessions will be run by our elite coaching staff. This is an amazing opportunity to get ready for the school season and if you are not sure about playing travel volleyball, this is a good time to experience what it's all about!! The 8 hours will be divided into 4 practice sessions, the first one being on Saturday, September 10th.

Bring a Friend Contest!!

Last year's winner was Keiley Dykstra (16u). Keiley's registration is free this year!!

Bring a new player (someone who has never participated in a Rapids or Niagara Spikes program) to the tryouts and your name will be entered in a draw for a chance to win your travel team registration for the 2015/16 season!! Bring two friends? Get two chances to win.

Back a Badger!!

Your Rapids Club team will partner up with an athlete from the Brock Women's Volleyball team!! A great partnership - Brock Badgers Athletes and the Niagara Rapids Family!!
